## SWANTI

vino rosso da tavola

### our blend

Nebbiolo base with a percentage of Barbera, Fresia or Dolcetto

### vineyard

*municipality:* Barbaresco - Frazione Tre Stelle (Nebbiolo and Dolcetto), Castagnole delle Lanze (Barbera and Freisa)

*age:* 15 - 25 years old

*hectares:* 0.2 Ha

*yield:* 7000 kg/Ha

### harvesting period

first week of October

### production

2.000 bottles

### vinification

the selection of the grapes takes place in the vineyard, during harvest; alcoholic fermentation lasts for about 10 days in stainless steel tanks; malolactic fermentation then follows

### refinement

in stainless steel tanks. Bottling takes place in spring

### organoleptic characteristics

every year we try to make the best Nebbiolo-based blend, following what the vintage offers. We always aim to produce a wine with a complex and balanced composition that highlights the characteristics of the selected varieties
